U.S. v. Beazer PLC

Civil No.: 92-1881 (D.D.C.)

Civil complaint was filed in U.S. District Court in Washington, D.C., seeking a civil penalty from Beazer PLC of London, England, for violating the premerger notification and waiting period requirements of the Hart-Scott-Rodino Act. The complaint alleges that Beazer violated the act between October 19, 1987 and March 18, 1988 when it failed to comply with the act's notification and waiting period requirements before acquiring more than \$15 million of Koppers Company, Inc.'s voting securities. The act permits a federal court, upon the Justice Department's request, to assess a civil penalty of up to \$10,000 for each day a party is in violation. A proposed judgment was also filed which, if approved by the court, will settle the case with Beazer paying \$760,000.
